M/s.Assam Bombay Carriers, 101, Deva Shree Garden, Majiwada, Thane – 400 601 are our approved transporter for over-dimensional consignments for the last six years.

This year we entrusted them transportation of 2 Calendrias from Pune to Lanjigarh, Orissa for Vedanta Project. Based on their good performance they were given additional 7 Calendrias. The dimensions of the consignments were 24.2 m x 4.35m x 4.5m, weighing 130 tonnes each.

We found their Project team to be good in discussions, timely and safe deliveries. They tracked & updated us about the movement of consignment from time to time.

We appreciate the attitude and commitment of the Project team and their services were to our satisfaction.

We wish them good luck in all their future endeavours.

Thanking You,

Yours truly,

For Alfa Laval (India) Ltd.
